Do you know the difference between going to a football game and going to a hospital? At a game, you can relax and enjoy yourself because you were able to buy an Official Program that tells you what's going to happen... and exactly who's going to do it. Unfortunately, as a new arrival at a hospital, you don't have a publication to help you become oriented to unfamiliar faces and surroundings. So all you can do is lie there and tremble in fear of the unknown. MAD feels that it's downright inhuman to give sports fans more information about what the future holds for them than is given to the ailing and infirm. Hospital Administrators should follow the lead of Stadium Owners and provide new patients with breezy, colorful, fact-filled Programs like...

FORGOT IT? FORGET IT!

"After 23 years of running a hospital gift shop, I know exactly what new patients are most likely to forget to pack," oozes Mrs. Birdie Pharrlapp, proprietress of the *Angel of Misery Gift Shoppe*. "That's why I make it a point to stock fuzzy stuffed pandas at only \$39.50 each, glass paperweights with tiny statues of elves inside, dried flowers artistically glued to pieces of driftwood, and simulated gold charm bracelets with souvenir miniature replicas of your stay: such as bed pans, thermometers, hypodermics, I.V. Bottles, etc.

Gift Shoppe's own Birdie Pharrlapp demonstrates new line of bean bag furniture which can be found along Shoppe's east wall between weed killer and kites.

A Word of Gratitude from Our Chief Administrator THANKS FOR SUPPORTING ANGEL OF MISERY

As you leaf through this orientation booklet, you should feel a surge of pride to realize that you have chosen our small, privately supported hospital as the place to enjoy your present illness. The nation's understaffed and poorly equipped Class "B" institutions, such as *Angel of Misery*, have long served as a farm system for the more glamorous big city health centers. Without people like yourself who are willing to take their chances at a minor league hospital, a great medical tradition would come to an end.

By spending your hard earned dollars at *Angel of Misery*, you are helping to support a grateful staff of doctors who may never have the opportunity to practice at a first rate hospital, simply because they lack the talent. God bless you!

Ellsworth D. Teztlaff, B.A.
Director of Administration

PATIENT'S GLOSSARY OF COMMONLY USED MEDICAL TERMS

During your confinement at *Angel of Misery*, you will often hear staff members using unfamiliar medical terms that may create worry and confusion in your mind. Usually, this is the intended effect. However, there are some phrases that doctors and nurses are willing to have defined for the benefit of the curious layman, like these which are listed below for your better understanding...

DOWN AND OUT PATTERN—In hospital parlance, this refers to the fourth floor corridor, the back stairs and the side door of the building. It is through this exit pattern that our unluckier patients are carried down to the garage and out to the coroner's office.

MAMA'S BOY—A derogatory term used by staff members to describe an adult male patient who whimpers when subjected to extreme pain. Female patients who display a similar lack of character as most often labeled "spoiled brats" or "cry-babies."

OFFSIDE—The side of the abdomen where the appendix is not located. You will be comforted to learn that almost 60 percent of our doctors and nurses know which side is your "offside," and will not cut there needlessly, in case they decide to diagnose your illness as appendicitis.

CORRECTIVE SURGERY—From your standpoint as a layman, "corrective surgery" does not differ greatly from any other kind, so you need not concern yourself with the term. However, you may overhear it used in conversations between doctors. They often refer to any operation performed solely because a surgeon's bank account is out of balance as being "corrective surgery."

CRISS-CROSS PATTERN—The type of stitching generally preferred by surgeons for sewing up your incision. This method, while uglier in appearance, is considered superior to others because of the discomfort caused by the stitches being removed later on.

OFFENSIVE FORMATION—Anything growing on your body that a surgeon may not like the looks of, and that he may, therefore, decide to cut off while he has you under an anesthetic anyway.

SHOWBOAT—Used interchangeably with "hotdog," this term refers to any surgeon who performs operations in a flamboyant manner. For example, a doctor who regularly makes incisions while holding the scalpel behind his back or between his toes might come to be known as a "showboat."

BUSH LEAGUER—A term that you may hear our staff doctors using when they speak of your own family physician. Do not be overly alarmed, as this may not mean that your doctor is incompetent. He could merely be engaging in some naive, "bush league" act, such as failing to charge his full house call fee when he looks in on you at the hospital.

OFFICIAL NURSES' SIGNALS MADE EASY

Occasional brushes with a registered nurse may constitute your only real contact with *trained* medical personnel during your hospital stay. Therefore, an understanding of the official *hand signals* employed by our nursing staff in communicating with doctors and patients may enhance your pleasure and knowledge of the whole sickness experience on which you have just embarked.

This is the most encouraging signal from nurse to doctor that a patient can hope to see during his hospital stay. It indicates that your bank balance and insurance coverage have been found satisfactory, and that you will, therefore, receive whatever medical care hospital staff presumes is necessary to save your life.

Holding her wrist watch up to her ear to see if it's still running may constitute a nurse's first official indication that your pulse rate has become wildly erratic. Look for this preliminary signal to be followed by either (A) a painful injection, (B) emergency surgery or (C) last rites of the church of your choice.

This signal covers a wide variety of patient rule violations, any one of which may shatter the tender sensibilities of the nursing staff. Undoubtedly, you will be aware of what you've done to merit this gesture, and will be prepared to suffer the consequences.

This signal, sometimes delivered silently and sometimes with accompanying verbal abuse, is given only to adult male patients. It advises you to keep your cotton pickin' hands to yourself, and warns that even one passionate lunge will result in serious injury that could make you forget about passionate lunges for years.

Most often observed in the operating room, this gesture quickly informs all surgeons present that the patient's life signs are weakening, and that this case will have to be chalked up as a loser. Since you are a non-member of the staff, this signal does not really concern you, unless, of course, it happens to be you they're losing.

This official nursing gesture will give complete assurance that your case is being discussed with some higher ranking staff members and that your illness is a lot more serious than you had once feared.

You will soon discover that nurses have a number of ways of signaling their displeasure with patients who fail to eat all of their mooshed up vegetables, or barf all over the bedclothes, or worst of all, ring for nursing service. This gesture is one of the milder ones employed by nurses to express their exasperation.

Often mistaken as another signal expressing a nurse's displeasure with patients' behavior, this gesture actually has less serious implications. It merely means that the hospital has officially given up all hopes for your recovery, and the floor nurse is about to walk out on your case.

A LOOK AT THE RECORD

WITH PIERPONT U. FISCAL
CHIEF ANGEL OF MISERY STATISTICIAN

In seeking treatment of illness, as well as in any other business or recreational activity, it's great to know that you've put your money on a winner. And at *Angel of Misery* the record has been one of glorious achievement over the years.

Check out the following "box score," and then feel a surge of pride to know that you are doing your part, however small, to perpetuate the traditions of this fabled institution.

SAMPLE YEAR	PATIENTS ADMITTED	PATIENTS SURVIVED	PCT.	AVERAGE DAILY ROOM RATE	INEDIBLE MEALS PER WEEK
1950	6,192	3,917	.632	\$48.20	12.37
1955	9,044	6,821	.754	\$63.10	13.09
1960	11,720 ¹	5,502 ¹	.469	\$74.50	13.41
1965	13,987	9,330	.667	\$98.35	14.52
1970	21,556	14,010	.649	\$132.25	15.03
1975	29,749	18,991	.638	\$144.50	16.22
1980					
(Projected)	38,700	23,200	.599	\$206.00	18.35

FOOTNOTE:

1.—1960 figure includes 2,066 patients treated by a "Doctor Snavely," who was later found to be a deranged aluminum siding salesman with a forged medical license. This little joke on us lowered the patient survival average for the year by almost 100 percentage points.

Remember the "Rebus" puzzles that we all loved when we were kids? Here's an example:

The idea was to identify the pictures and then add and subtract the letters in their names to get the answer. Now if you studied the Rebus above and said, "MORONIC!" ... (MONKEY - N - KEY + IRON - I + SICK - SK) ... you were right, both about the puzzle and the answer. Because Rebus puzzles are old-fashioned, somewhat silly, and totally irrelevant! But sharpen your pencils and put on your thinking caps, gang! We here at MAD have up-dated the Rebus and brought it into the twentieth century! Get ready to have some good, solid, brain-teasing fun trying to figure out the correct answers to:

Ever notice that cities seem to have a habit of erecting monuments that don't mean a damn thing to anyone. Like what do these big nothings have to do with the life of their cities? How about erecting monuments that relate to the everyday life of the people in a particular community? How can they do that, you ask? Well, if you knew the answer, you'd be writing instead of reading this article which we've entitled:

When you have problems and you don't want to think about them, what do you do? You go to the movies to take your mind off things, right? Wrong! Today, they're making movies that only add to your worries! Like—if you enjoy taking cruises, you can worry about dying in a "Poseidon Adventure"! Or if you live in the Los Angeles area, you can worry about dying in an "Earthquake"! Or, as is the case in this latest disaster epic, if you live or work in a modern, glass-walled skyscraper, you can worry about dying in—

Dug! How can you talk about moving out of the city after designing the world's tallest building! What could you possibly do out in the boondocks?

Design the world's tallest outhouse!

Do you have change for a hundred dollar bill?

Er... do you have change for a fifty?

Er... do you have change for a dollar?

Gee, I'm sorry, but I have no silver!

Too bad! I'll have to catch you next time around!

Sure!

Why not?!!

Holy cow! 138 floors! I never saw a building that high in my life!

Neither did that helicopter pilot! He just crashed into the side of it!

THE TOWERING STERNO

ARTIST: MORT DRUCKER

WRITER: DICK DE BARTOLO

Ever see anything as advanced as this **Electronic Security System**? If anything goes wrong in the building, the computer knows about it instantly! It's an **absolutely perfect system**!

Er...
Uh...
It's a perfect system... with one **minor flaw**!

And when it knows something's wrong... how does it tell us?

Dug, that new **High-Rise** you designed in **Salt Lake City** is starting to **lean**!

Mr. Rivets, that reproduction of **The Leaning Tower of Pisa** that you designed for the new **World's Fair** is starting to **straighten up**!

Mr. Rivets, your **Fiancee's** in your **private office**, and she insists upon you seeing her **immediately**! I think it's an **emergency medical problem**!

What makes you say that?

She's waiting in **BED**!

Now look what you've done! You—you've caused a **short circuit**! Didn't I tell you not to plug any **heavy duty** equipment into this line?!

Your electric razor... **AND** your **transistor radio**!! Just how much **overloading** do you think this building can stand?!!

Heavy duty equipment...?!
All I plugged in was my **electric razor**!!

This was so **clever** of you to have a **bed** installed in your office...

I figured the movie should start off with a **bang**!

By the way, I can't move out into the **sticks** with you! The magazine I work for finally gave me what I've always wanted!

What? An **Executive Editor** position?

No! A better **"Route"**... and a brand new **bicycle**!

The wonderful feature of this building is ... you can live on one floor and work on another!

It sounds great! But ... why is that room in flames?

Oh, that!! Er—that's another one of the—uh—wonderful features of this building! There's a complete garbage incinerator on every floor!

Wow! You've thought of everything!!

Hey, look A red "85" just started flashing on the Emergency Panel ... and a dime just came out of the little slot!

That's the system working! It means there's a fire on the 85th floor!!

Yeah, but what's the DIME for?!!

What else?!? To call the FIRE DEPARTMENT!! Boy, you sure don't understand sophisticated equipment!

Hey, Dug ... we've got a disaster on our hands!

No, that was the disaster in Irwin Allen's **LAST** picture! The disaster in this picture is a **FIRE!!**

Let me guess! The building just turned upside down!

Could've fooled me! I thought the disaster in **THIS** picture was the **CORNY DIALOGUE!**

I must ask **Dodger Summons** if he made any changes in my specifications! And ... to remind me, I'll tie this piece of string around my finger!

String?!? That's the "heavy duty" electric cable **Dodger** used throughout this building!

Did you mess around with my original specifications for the wiring in the Tower?

Dug ... I did everything by the book!

What book?

This book!

This Opening Celebration is going to be the **biggest party ever!** Boy, are we gonna have a **hot time** up there tonight!

It may turn out to be a **hotter time** than you've planned! The building is on fire ... !

Oh, well! I guess we'll just have to **postpone** it!

Gee! And I thought you'd be upset about having to cancel the party!

Hey, who's talking about **cancelling the PARTY?!** We're just going to have to **postpone the FIRE!!**

Everybody's been asking for you, Dug! How come you're not at the party?!?

Because we have a **FIRE** on our hands! The **85th floor** is **afame!**

You're **over-reacting**, Dug! Or **over-acting**, at the very least!

You mean you've got that much **confidence** in this building that you're willing to remain upstairs while a fire rages below?!?

Who's upstairs? I'm calling from a **phone booth** down the block!!

What building's on fire?

The Glassy Tower! It's on the 85th floor! Gee, I never fought a fire in a modern skyscraper building before! What's the first thing we do?

We wait till the fire burns down to the 5th floor . . . so we can reach it with our hoses!

Hi! I'm the Architect! Can I give you any vital information?

Does the building have a Sprinkler System . . . ?

Of course! And we expect to connect it up with the water supply next week!

How about Fire Exits?

Two on every floor! But they're—uh—locked! We should have keys for them on Wednesday!

Ventilating System . . . ?

Definitely On every floor . . . in packing crates . . . waiting to be installed!!

Just WHAT safety precautions DOES this 138-story glass death-trap HAVE at this moment?!!

Well . . . we've installed "NO SMOKING" signs in each and every elevator!

Dodger, did you change any of Dug Rivets' original electrical specifications?

Sure I did! When you ordered me to shave 4 million dollars off the budget for the building, did you ever ask me HOW I did it? Did you ever wonder WHY our monthly electric bill for all 138 stories is only \$6.00?

Well, I'll TELL you! This entire building is plugged into the lamppost on the corner!

Do you think anyone suspects we're having an affair?

Nahh! As far as everyone is concerned, you're just my secretary working from 9 to 5!

Yes . . . but working from 9 at night to 5 in the morning might arouse SOME suspicion!

Did you leave a cigar burning?

I don't think so, especially since I don't smoke cigars! I'll go check!

Was I right? Did someone leave a cigar burning?

No . . . a cigarette! A KING SIZE one! But, don't worry!! I'll call for help! HELP! HELP!

Wouldn't you get more response if you said that into the PHONE?

Not with the phone service in THIS building! HELP . . . !

They sure are calling out the equipment for this fire! What company are you guys with . . . ?

The 122nd Battalion!

That's a long way from downtown San Francisco, isn't it?

I'd say so! We're based in New York City!

Please, folks! Please!
No pushing! No shoving!
There's room for eleven
people in that elevator!

But the sign says the
elevator holds **TWELVE!**

That's right!
It holds
eleven people
... and **ME!!**
So, please—
no pushing!!
No shoving!!

The Fire Door
is jammed shut!
Isn't there
supposed to be
a Fire Axe
for just such
an emergency?

Sure! It's
located
just on
the other
side of
the Fire
Door!

C'mon! Help
me go through
the building
and arouse all
the Tenants!

To warn them
about the fire?

That ...
and also
to see if we
can collect
next
month's
rent in
advance!

Hey, must you
wear that radio
throughout the
entire picture?

I do, if I want
to hear some
ENTERTAINMENT!

We'll be safe going down these Fire
Stairs ... except that I **DO** think I smell
leaking gas! I'll light a match and see
if I can tell where it's coming from—

Good work, Mr.
Rivets! You sure
found that gas
leak! You may
know a lot about
electricity, but
you know beans
about gas!

Okay! We've got to keep
walking down! And you'll
notice that, to join me,
all you have to take is
ONE STEP! So I suggest
you close your eyes ...
because that one step is
now four stories high!

Behind this panel
is a shaft that runs
the length of the
building! I already
GOT the shaft **ONCE**
... when I agreed
to do this movie!

Now I'm going
to get it again
... when I use
it to climb up
to the party in
the Marmalade
Room ...

So while I'm
gone, Fullip,
I want you to
act like an
adult! Do
you know what
that means?

Yeah ...
I should
cry and
yell and
scream
and carry
on a lot!

Gee, but that's
thoughtful!
Here we are, in
the middle of a
holocaust ...
and the kitchen
sends up an
elevator full of
barbecued beef!

Man, that's no
barbecued beef!
Unless they've
dressed it in
the clothes the
people who just
went **DOWN** in
the elevator
were wearing!

You—
you
mean
those
are
members
of
the
CAST?!?

Boy, I've
heard of
being

The elevator's gone! I'm taking the Fire Exit!

My Agent said the same thing, but I'm going anyway!

The Fire Chief said there is no way out . . . !

Go ahead! Make an ASH of yourself!

FIRE EXIT

You're back! You couldn't make it . . . could you?!

Of course I could have! It's just that I felt guilty leaving you here!

Omolette, I have a confession to make! I came here tonight to sell you 1000 shares of a phony oil stock! But now that we've met, I— I just can't do it!

I've always said I know an honest man when I see one!

Er—how do you feel about buying 2000 shares of a phony gold mining stock?

And I think I see one, way—way—over there!

Look! Helicopters! They're going to evacuate you folks from the roof!!

Oh, thank God for American ingenuity!

It's five bucks for each kid, ten bucks for each adult, and \$18.50 for a couple! You . . . er . . . still feel that way about American ingenuity!

How's the evacuation from the roof going?

No one has left yet!

Gee! I thought the rates were reasonable! Do you think we should offer group discounts?

No, the rates were fine! It's just too windy to land up there!

Then the only way to move people out is by a breeches buoy strung across the way to the Fearless Building! See if the helicopter can get a good strong line into the Marmalade Room!

If they can, it'll be the first good strong line in this entire picture!

I know you're supposed to break a window so the helicopter can get a line in here, but why are you smashing ALL of the windows?

Busting windows is like eating potato chips, Lady! Smash one—and you gotta smash 'em all!

Dumbkin, this is some mess! Why in the world did you cut corners in the electrical system!? Couldn't you find some other way to save money?

I did! Did you ever count the floors in this building? It's the only 138-story building in history with 97 floors!

Okay, here's the line from the helicopter! Pull it in! C'mon, men! Pull . . . pull! That's the way! And here's the other end! The end that was supposed to be attached to the building across the way! Er . . . that was a little too much pulling, men!

This is terrible!
Simply **TERRIBLE!**

Yes . . . ! Are you
concerned about
your loved ones?

No, I'm concerned
about my business!
I'm the Agent who
sold the Fire
Insurance Policy
on this building!

Wow! **MORE** Fire-Fighting
Equipment!! How far away
did **YOU** guys come from?

They promised us
Fire Drills, but
we never had any!

We just can't please

Listen, I just figured
out a way to get **twelve
people** down by using
the **Scenic Elevator!**

You mean by releasing
the mechanical brakes?

Gee, that's
even **better**
than **MY**
idea! I
was going
to cut the
cable!

I want **11 civilians**
on this elevator . . .
plus someone who's
an expert on fires!

Okay, I'LL go!!

You?!? You're an
expert on fires!?

I was responsible
for starting this
one, wasn't I!?

Okay! The other end of
this rope is connected
to the building across
the street! What should
we tie this end to?

How
about the
Script
Writer's
Neck?

Chopper One . . . this is
O'Hollerin! The **Scenic
Elevator** was blown off
its track and Omolette
fell to her death!

That's awful! The rest
of the Cast must be
really green with envy!

I want you to pick me up, and put me
down on **top** of the **Scenic Elevator!**
I'll attach a cable to it, and then
you'll pick up me **AND** the elevator
and set us all safely down on the
ground! Can you do that, Chopper One?

Sure, And then we'll all visit
the **Fairy Princess** together!!

I'm looking for a

I'm looking for a
crippled **Scenic

off its course . . . !

Wow!
And I
thought
OUR
plot
was
far-
fetched!

Don't we have **ENOUGH**
problems?! Who the hell
pushed the **"UP"** button?

Will you tell me why we're here ... placing explosives on these tanks?

There are two million gallons of water in these tanks! We're going to blow them up, so the water will pour down through the building and put out this blasted fire!

Sure! And while all that water is pouring down through the building, putting out the fire, it's also going to **DROWN** everyone!!

Sorry about that! It's my job to put out fires and save people from burning to death! If you want to save people from drowning, call in the Coast Guard!

Here comes the water!

The fire is **OUT!** The fire is **OUT!!**

Big deal!! I can't swim!!

And I'm being washed out of the windo-o-o ...

And I've got a ten-ton **BEAM** on my stomach!

We were better off with the **FIRE!**

It's a miracle ... a miracle!
That we're all still alive?

No, that we're all down here on the street when, twenty minutes ago, there wasn't an elevator working or a stairway standing! I sure wish I knew how we did it!

You guys will keep making these fire-traps higher and higher, and I'll keep eating smoke until somebody asks **ME** how to build them **RIGHT!**

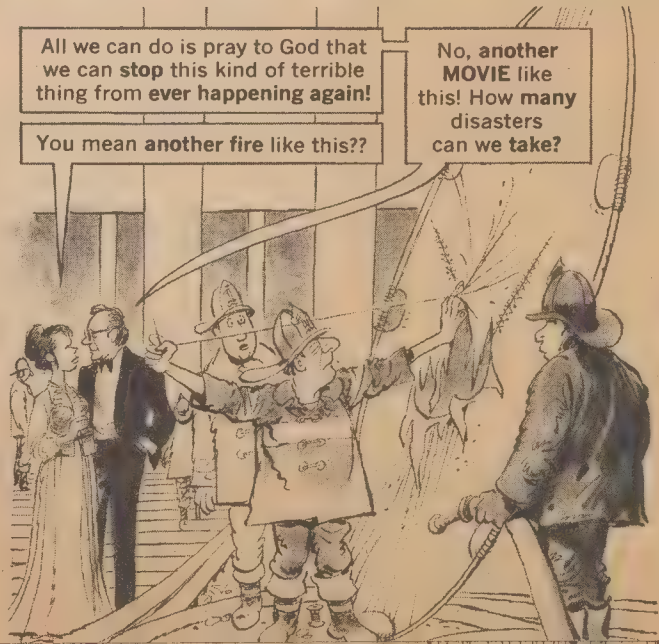

Okay, I'M asking! My new building has a **seven million dollar budget for Fire Safety Equipment** ... and every dollar you save, you can keep!

Well, first of all, why do we need Fire Axes and Sprinklers on every floor! Every **OTHER** floor is plenty! So what if you have to walk up a few steps!? And also ...

All we can do is pray to God that we can stop this kind of terrible thing from ever happening again!

You mean another fire like this??

No, another **MOVIE** like this! How many disasters can we take?

DAVE BERG

My parents have given me a choice: Get a **JOB**, or go on to **COLLEGE**! It's really a momentous decision! I'll have to weigh the attributes of both pursuits and decide!

It's a matter of which will enlarge my capabilities for coping with our technological society . . . and which will further my understanding of the conflicting factors affecting our competitive life styles!

Sounds like a very difficult problem! How do you intend to solve it?

On a purely rational and intellectual level!

Where will I meet more fellas?!

First, I was a Freshman . . .

The top dog Juniors and Seniors looked down on me like I was a LOSER!

But now I'M a Senior!
A WINNER!! A TOP DOG
ABOUT TO GRADUATE!!

Next semester, I'm gonna
be a Freshman again . . .

Aren't you going

So far, it
looks like
I'm not!

Why not?!? And
why are you
sitting there,
staring at the

It's hard to

have changed
since you were
a graduate!

How much could things have
changed? A boy is still a

a girl . . . and you still
haven't told me WHY you're
not going to the Prom!

Because, so far, no
girl has asked me!

Richard Lippin stays home

Boy, is he dumb!!

Let me see your Junior High School Graduation Album!

It's no big deal!

What are you talking about! The first one I turned to is darling! "First comes love . . . Then comes marriage . . . Then comes Deena With a baby carriage!" Signed . . . "Charles Rudik"

That Charles Rudik is a very clever and original young man!

He sure is!

And when you look through the album, you'll see six MORE of exactly the SAME clever and original poems!

What a cruddy-looking bunch of creeps! They shouldn't even let such slobs into the Graduation Exercises!

Now, THERE'S a fine-looking group of young people! There's the REAL hope of the world!

These caps and gowns are rented! They have to be returned!

Yeah, but we can keep the TASSEL as a souvenir of a very important day in our lives!

I'm gonna hang mine on the rear view mirror of my car!

I'm putting mine in a hand-carved jewel case where I keep my mementos!

Where are you putting yours, Arpie?

Considering the immense value of a Post-Graduate Degree in today's job market, I'm placing mine with great care into a strong metal container!

Boy . . . I sure am glad
THAT'S over with! High
School was a **DRAG!!**

Really? Le'me take inventory on that!
I was on a real **ego** trip when I had
the lead in the school play! I had a
blast with the **Photography Club!**
Winning that **Basketball Scholarship**
was a nice surprise! And making out
with the **Captain of the Cheering**

Yep! All in all, I'd say
High School definitely
was **NOT A DRAG!!**

Did it ever occur to you
that **YOU** were the drag!?!?

Congratulations,
my Darling! You
did it! You've
graduated!

Hold it, just
like that! I
want to get a

Oh, Daddy . . . you always

such a **PRODUCTION!** If
you must take a picture,
will you do it **quickly?!**

I'd **LOVE** to! But all the **OTHER**

FANTASTIC!! After twelve
long years of required

GRADUATED!! I never have

What a great

GO anywhere . . .
DO anything . . .

So what
ARE you
going

Nothing!
Just hang

And where are
you going to

The Airline Industry is in serious financial trouble. Because of inflation, operating costs, such as fuel, food, personnel and fancy services, have skyrocketed. However, because of the recession, it is no longer possible to pass these increases on to the passengers. And so, in order to make air travel cheaper and

FUTURE "NO-FRILLS A

ARTIST: AL JAFFEE

"FRILL-FREE" STANDING ROOM PASSENGERS

Cost-conscious travelers will be offered "No-Frills Standee Accommodations" which consists of flying erect from point to point securely tucked into their Standing Room Safety Belts.

"FRILL-FREE" OVERHEAD RACK PASSENGERS

Overhead Rack space will be made available to passengers who do not care to stand coast-to-coast, and will happily settle for the cramped "No-Frills Individual Cubicle Accommodations."

"FRILL-FREE" BAGGAGE HANDLING

All "Frill-Free" passengers will be required to store their own luggage aboard the aircraft before flight, and will also be required to retrieve it upon arrival at destination.

"FRILL-FREE" TOILET ACCOMMODATIONS

Fancy Johns with free goodies like soap and French perfume will be out for "Frill-Free" passengers. One "Pay Toilet" with "Coin-Operated Necessity-Dispenser" will be available.

thus attractive to more people, something called "No-Frills Flying" has been introduced. This plan offers lower fares for a more austere type of air travel in which some of the fancy services such as "meals" have been eliminated. If the economic crunch continues and the idea catches on, we may soon be seeing these...

"FRILL-FREE" CARGO CONTAINER PASSENGERS

Most economical of all money-saving plans will make use of Cargo Container Holds, where the budget-minded air traveler will be offered "No-Frills Individual Crate Accommodations."

"FRILL-FREE" EATING ACCOMMODATIONS

Since costly gourmet meals will be eliminated, a "Frill-Free Snack Bar" will be installed for use by "Frill Free" passengers. Unfortunately, Snack Bar will only seat two at a time.

"FRILL-FREE" ROUGH RIDE TREATMENT

Common Air Sickness Trough for "No-Frills" passengers will eliminate need for expensive Individual Air Sickness Bags, and will also eliminate cost of removing used (ecch) bags.

"FRILL-FREE" EMERGENCY EQUIPMENT

Airlines now provide costly Life Vests and Emergency Oxygen equipment. "Frill-Free" passengers will be satisfied with simple-to-understand Swimming Instructions and an Air Tube.

IN ADDITION TO "FUTURE 'NO-FRILLS' AIR TRAVEL G HOW AIRLINES CAN INCREA

INTERCHANGEABLE PASSENGER ACCOMMODATION EQUIPMENT

Obviously airlines lose plenty when 6 people fly jets that normally seat 365 and require crews of 18. With this new

system, airlines will only use the equipment necessary to accommodate the exact number of passengers that show up.

FRANCHISED PASSENGER SERVICES

Airlines can save millions by eliminating all free meals, and then earn additional revenues by selling franchises to Concessionaires who would supply passengers with food.

SALES OF INTERIOR AD SPACES

Eliminating free newspapers and magazines would save money, and then the airlines can earn additional income by selling spaces for ads...which bored passengers will eagerly read.

REBATE PLANS TO ELIMINATE EXCESS BAGGAGE WEIGHT

Since modern jet planes consume costly fuel in direct proportion to the amount of weight on board, the elimination

of excess baggage would mean substantial savings. A system of "No Bag" or "One Bag" rebates could prove very effective.

MMICKS", HERE ARE SOME OTHER MAD IDEAS ON... SE REVENUES AND PROFITS

RENTAL OR LEASING OF VALUABLE BOARDING APRON SPACE

To raise additional revenue valuable runway boarding space can be rented to Concessionaires who will sell everything

from local souvenirs to fake photos of "No-Frill" passengers sitting in what looks like the First Class Section on board.

COIN-OPERATED SEAT DISPENSERS

Airlines can generate huge revenues by charging for all the services that are now supplied free. A coin operated seat-dispenser will give passenger his choice—for a slight fee.

SELF-SERVICE TICKETING RAMPS

Eliminating "Ticket Office" and "Reservation" personnel can effect huge savings. One way airlines can accomplish this is to introduce "Pay-As-You-Enter" ramp-systems for all flights.

"FLY-BY-WEIGHT" FARES TO COVER RISING FUEL COSTS

Another effective method of passing on rising jet fuel costs is to institute a "Fly-By-Weight" system in which all of the

fat, overweight slobs would be forced to pay their fair share of flying expenses in relation to all the skinny light slobs.

What is the best way to sell an unsaleable item? Make it look like a bargain! Most people can't refuse a bargain, and will gladly fork up the 40% necessary to take advantage of the 60% off sale price, despite the fact that the item isn't worth 10% to begin with! Book publishers, well aware of this phenomenon, have flooded the mails and media with ads, brochures, and book club offers designed to empty their turkey-filled warehouses with ads like this...

PUBLISHERS CLOSEOUT SALE

Many of these books are selling for as much as 40% or more off wholesale prices, 60% or more off retail prices and 100% or more off author's royalties.

2345. THE FRENCH HORN AS A PERCUSSION INSTRUMENT. By Ira-Schmidt Von Coward. In this musical thesis, Dr. Von Coward proposes that the French horn should be struck rather than blown in order to produce its best sound. 342 pp. Illustrations 64 pages.

3427. FROM ARTHUR TO WASHINGTON, Or, The Presidents Alphabetized. By Dr. Asa Ingelfinger. Here for the first time is a handy reference booklet of United States Presidents listed according to the alphabet. (Previously, they've been listed chronologically, necessitating page-fumbling and lost time for readers.) Dr. Ingelfinger, who teaches American History and Enemy Aircraft Recognition at Stanback University, defends his filing Martin Van Buren under "B" instead of "V" in a remarkably strident preface. 98 pp.

3786. OYSTER SKETCHES OF OTTO TANTREP. Edited by Carlo Maria Hamburger. Otto Tantrep (1884-1972) was one of the world's most eccentric artists in that he drew nothing but oysters during his entire career. He worked in a variety of interesting media, however, in addition to standard water colors and oils—e.g., soap-on-insulation board, chalk-on-liver, and icepick-on-styrofoam. All of these media have been brilliantly reproduced on lovely two-color pages. 12 illustrations, 64 pp. with an introduction by Pinkerton Hanoi.

3459. A HISTORY OF MASKING TAPE. By Hunrith Slough. Historical explanation of a hitherto-unmentioned topic. In this book, Mr. Slough dramatically describes what World War II might have been like without masking tape. 398 pp. Index. Plain jacket.

3455. SINGLE-FLAG SEMAPHORE. By Lt. Commander Upton Deftt. "Semaphore code is a very useful means of communication," Commander Deftt points out in his preface, "but what would happen if you lost one flag, or even worse, an arm?" To fill this void, Deftt has devised an emergency system of single-flag semaphore code. His written description of the positions, in the absence of illustrations, is adequate. 829 pp.

3428. FROM ADAMS TO WOODROW, or The Presidents Alphabetized. By Dr. Asa Ingelfinger. Second edition of his earlier book, with several minor errors corrected. 102 pp.

3334. COWCATCHER FATALITIES ON THE NEW MARKET-EAST WESTOVER-FAWNS-BREATH RAILROAD, 1843-44. By Clifford Graft. Never before published report on a series of railroad mishaps which baffled government officials for hours. 1002 pp.

4543. THE ANTHILL PHOTOGRAPHS OF PARDO LOMOTIL. Edited by Dudd Casper. Without doubt, Pardo Lomotil, before his untimely death in 1963 from underexposure, was already firmly established as the world's finest anthill photographer. This book does nothing to refute that fact, in one way or the other. 98 pp. No illustrations.

2345. INCA TEMPLE ADMISSION PRICES. By Targe O'Malley. In this volume, Professor O'Malley offers the suggestion that the Inca Indians operated their religious services on a commercial basis, with a graduated scale of prices for the natives. 636 pp. 76 fold-out illustrations.

3980. DAYLIGHT SAVINGS TIME AND ITS EFFECT ON MOORISH TRADITION. By Largo Albert Factotum. A provocative study from which Mr. Factotum, an associate professor of Laundry Science at USC, draws some startling conclusions. 329 pp.

3334. WAIST SIZES OF BYZANTINE EMPERORS. By Hugo Uruguag and Olga Myhan. Through an ingenious and painstaking examination of ancient writings, old paintings, engravings, and contemporary supermarket gossip, Mr. Uruguag and Ms. Myhan have succeeded in nailing down the waist sizes of more than ten centuries of Byzantine rulers. "How much difference does this make to the average American?" asks Uruguag in his preface, then follows with an incisive response: "It makes a lot of difference, that's how much!" 120 full-page illustrations, 96 pp.

5654. A CENTURY OF ARM RESTS. By Carlo Glugetti. A fascinating historical examination of arm rests, from the earliest models in Wells Fargo stagecoaches to prototypes developed and used by General Motors. 36 illustrations, 574 pp.

3349. THE LAYMAN'S HANDBOOK OF ESKIMO PIANO MUSIC. By Wolfson Cantalupo. Never-before-published sonatas of Eskimo composers, whose distinctive musical style results from their wearing mittens even while writing music. 87 pp.

4528. THE SPANISH MAIN, by Horatio Chapi. Not an old sea story, as the title suggests, but the nearly-as-exciting biography of a Spanish sewer maintenance employee, 412 pp. with underground maps of Madrid and Barcelona.

3429. FROM ADAMS TO WILSON, Or, The Presidents Alphabetized. By Dr. Asa Ingelfinger. Third and final edition of his earlier books. 104 pp.

2235. ROC ON THE TELEGRAPH LINE. By Ezra Pagloomer. We all know what a common sparrow looks like perched on a telegraph line, but have you ever wondered what some extinct birds would look like if they were still around today? Mr. Pagloomer, in response, has taken 113 extinct birds and painted them perched on lines extending from modern utility poles. Includes such interesting species as the roc, albatross, passenger pigeon, robin, dodo, and lavender skink. 212 pp. 116 illustrations.

Hi! This is Joan Byez with another in-depth interview for MAD Magazine! A strange choice for a guest interviewer? Well, not nearly as strange as the man I've been asked to interview! This is **Special Agent G. Howard Wasp**...

MAD'S CIA AGENT OF THE YEAR

Agent Wasp ... I must congratulate you on your use of this airline as a cover for your CIA activities!

How did you know this is a CIA company?

It's the only airline in the country making a **PROFIT!!** But tell me—what is the real purpose of the CIA?

Our main thrust is the gathering of intelligence! By using this vital information, we help keep our nation strong and our people free!

And how do you gather this vital information?

By bugging offices ... tapping telephones ... reading private mail ... breaking into psychiatrist's offices and stealing files ...

And are these dirty tricks used against the people that the CIA considers to be America's **ENEMIES?**

Naahh ... this is what we do to **AMERICANS!!**

We could never get away with that sort of hanky-panky in a **FOREIGN COUNTRY!**

ARTIST: PAUL COKER, JR.

WRITER: LOU SILVERSTONE

But, Agent Wasp ...

Er—would you mind speaking a bit louder into this plant ... ?

I have a very strange feeling that this plant is **bugged** ... !

Hmmm, you seem to be familiar with **Undercover Methodology!**

Oh, I **AM!** I've seen almost every James Bond movie!

What would you say was the most successful operation of the CIA ... ?

Hmmm! There were so many! Personally, I liked the recovery of that Russian submarine!

Do you think it was worth spending over **300 million dollars** for a section of an **18-year-old submarine!**

It so happens we recovered some pretty valuable stuff when we raised that section!

Oh ... ? You picked up some secret Russian decoding information?

No ... we picked up six cases of Russian **Vodka!** The good stuff! You can't get it anywhere!

Hey!! That's **SABOTAGE!**

All I did was throw a gum wrapper into your wastepaper basket . . . !

It may be just a wastepaper basket to you, but in enemy hands, it's a gold mine of intelligence information! We have trash inspection twice a day, and if the Chief finds anything important in any of them . . . man, it's bad news!

I'm sorry! Had I known, I would have **SWALLOWED** the stupid thing!

Don't joke! The CIA has a phony Cleaning Service that picks up the trash from foreign embassies and airlines, recovering valuable items like this!

It looks like a yecch—a **USED Kleenex!**

Only to **YOUR** un-trained eye! But to us, it tells us plenty about the health of a Russian biggie! See? He has a **COLD!**

Lucky he doesn't have diarrhea!

This is one of the most important Departments of our organization!

Is this where you plan your **COVERT** strategies?

No, this is where we dream up **excuses** in case anything goes wrong!

Speaking of things going wrong, would you tell us about some of the CIA's more famous **BLUNDERS?**

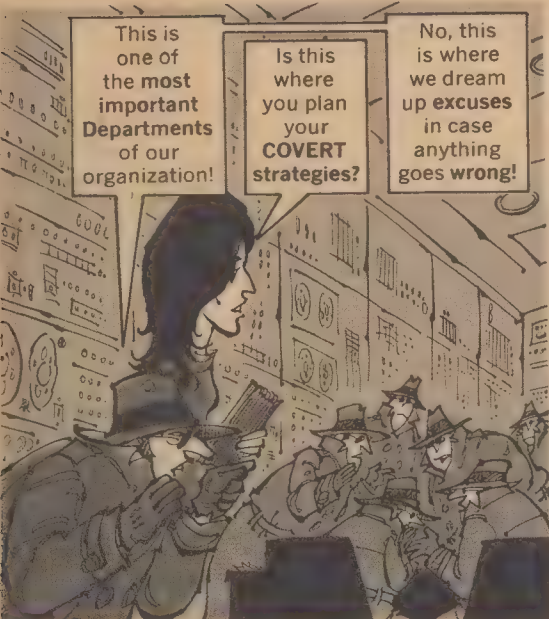

Er . . . we refer to such things as our "**Counter-productive Operations**". . . !

How about a few words on the "**Bay of Pigs**" fiasco?

I'm afraid I'll have to invoke "**National Security**" on that one!

But wasn't it sheer insanity to attempt to invade Cuba with a badly-trained army of 1400 men . . . pitting them against a crack Military force of 400,000 . . . ?!?

Not when **GOD** is on our side! You forget! They were **400,000 GODLESS COMMIES!**

Frankly, was the CIA involved in any way with **Watergate?**

The total extent of our involvement was in providing fiendishly clever **disguises** like this one to the perpetrators!

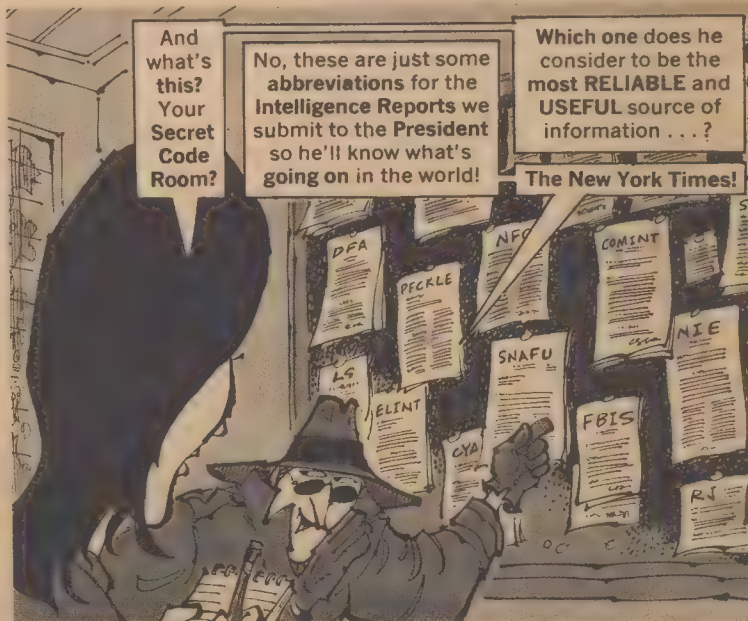

But if **WE**'d handled the Watergate account, you can rest assured **WE** would've linked the Democrats to the Commies . . . even if we had to **manufacture** the evidence!

And what's this? Your **Secret Code Room?**

No, these are just some **abbreviations** for the Intelligence Reports we submit to the President so he'll know what's going on in the world!

Which one does he consider to be the most **RELIABLE** and **USEFUL** source of information . . . ?

The New York Times!

How do you explain the failure of your people to come up with accurate intelligence in Vietnam?

Listen, study the figures on this chart if you want to know the **REAL** story of 'Nam! According to OUR "kill rate" and OUR "body count" and OUR "captured or destroyed enemy weapons," we **WON** the war in 1967!

Since most of the information the CIA gets comes through legitimate channels, why do you spend so much time with the "Cloak and Dagger" stuff?

We have to keep ahead of the KGB in the all-important "Dirty Tricks" War! I hate to say this, but they receive much better cooperation from their citizens than we do from ours! Every Russian tourist or performer or dancing bear that goes abroad works for the KGB! All the American tourist is interested in is food, booze and sex!

And another advantage the KGB has over us is: When one of **THEIR** agents has his job terminated, it's Siberia for him . . . if he's lucky! When one of **OUR** guys drops out, he writes a book **EXPOSING** the CIA!

Is it true that you people used rain as a weapon in Vietnam . . . ?

But isn't that dangerous? Aren't you afraid of tampering with the weather?

You bet your galoshes we did! We resorted to weather modification to break up demonstrations when regular methods of mob control—tear gas, clubs and itch powder—failed! We seeded the clouds and caused a deluge on those gooks!

Afraid? Never heard of the word! We're even experimenting with a way of piercing the protective ozone layer so we can wipe out entire populations! By God, we intend to insure peace and make the world safe for Democracy!

Where are we going now?

I have to call on one of our most important associates . . . a real biggie!

The President?

Even bigger!!

You may rise . . .

Thank you, Godfather! I have come to ask a favor . . .

We foolishly allowed a small Banana Republic to hold a free election! And even though we spent millions buying votes, those peasants elected a Left Wing President! So we want to destabilize the government!

You . . . WHAT?!!

We . . . we would like this new government subverted!

You mean you want us to HIT the guy!!

Why don't you guys learn t' speak English! I come from Sicily an' I speak better'n you! You shoulda come t' me in the first place! I woulda put out a contract, an' there woulda been no election!!

You will see to it that the situation is—uh—re-adjusted?

Consider this **FAVOR** you've asked of me **DONE!!**

Thank you, Godfather! We will pay you anything you ask!

I don't want money! I consider it an honor t' help my country! But ... of course ... I may call upon YOU to do ME a small favor in return ... someday ...

Anything! If the IRS, or a Crime Commission gets on your back, let us know! We'll handle it!

I'm shocked! I am really shocked! I can't believe an official agency of the United States Government would do business with **ORGANIZED CRIME!**

Listen, lady! We're engaged in a life-and-death struggle with the Commies, and we'll accept assistance from **ANY** source to help preserve and spread the American way of life! Besides, if you want somebody rubbed out ... where **ELSE** can you go?

Excuse me one minute, Miss Bye! I have to make a contact!

Hey, man, it's about time you got here with the bread! It's not easy to get those college kids to riot! This ain't the 60's, y'know! Today, all them dudes worry about is finding jobs after they graduate!

Well, do the best you can! Remember, your country's counting on you!

Today's college kids just don't have any spirit!

You mean you **PAY** dissidents to stir up unrest on college campuses!

Of course we do! We finance ... and we infiltrate many Left Wing groups on campuses in order to determine if they're being influenced in any way by subversives from abroad! Besides, if we don't help them, the enemy will!

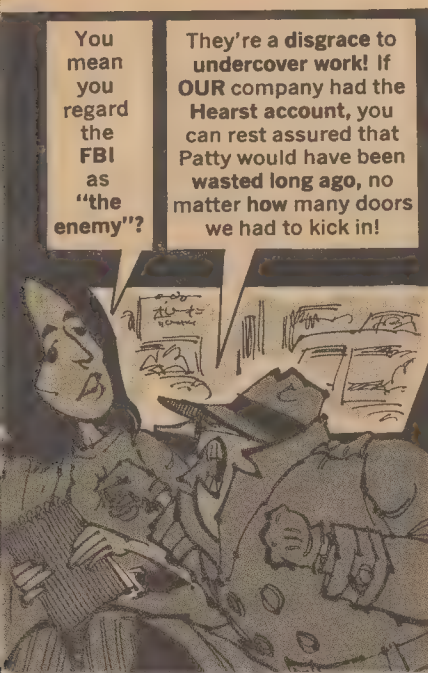

Like Russia and China?

No, the FBI!

You mean you regard the FBI as "the enemy"?

They're a disgrace to undercover work! If **OUR** company had the Hearst account, you can rest assured that Patty would have been wasted long ago, no matter how many doors we had to kick in!

But isn't domestic spying actually forbidden by the CIA Charter?

Listen, if people have nothing to hide ... why should they object to being checked out?

The old "If you're clean, why should you care?" philosophy!

Glad you understand! It makes my job so much easier! Now ... how much money did you earn last year? I can check with IRS, y'know! What magazines and newspapers do you read?

What organizations do you belong to?

Do you contribute to any political party or group?

How often did you and your husband—

This is Joan Bye— signing off, and returning you to **MAD Magazine!**

In the beginning, the jungle was

Today, Civilization has reached

Well, it gave me plenty

ran into a problem!

Weeds kept sprouting and
choking off the seedling

—and pulling them out—
and using weed killers!

Well, you must've won
the battle! You have
a beautiful crop . . . !

Actually,
I lost the

Those are the **WEEDS!!**

Modern technology

I bought this special package of
fertilizer! It's the latest thing
in the ever-advancing science of
Agronomics! It has a fantastic

HORSE MANURE!!

Really?!? What IS this
fantastic ingredient ... ?

Hey, you gotta see Noah Seaman's garden! It's only as big as a postage stamp, but he works it like it's a big-time farm operation!

Hey, Noah! How's your tomato crop coming along?

Not growing tomatoes! This year, it's carrots!

What's the matter? Did you get tired of eating all those tomatoes?

You know how it is with us farmers!

I'm ROTATING MY CROPS!

Hi, there, neighbor! Can we offer you some nice ripe apples...?

No, thank you!

We have OUR OWN!!

My Florist is like a—**a Doctor!** I go to him with all my plant problems!

Like a Doctor, my Florist tells me what vitamins and minerals to feed my plants!

Like a Doctor, my Florist diagnoses what diseases my plants have, and then tells me how to cure them!

And like a Doctor, your Florist **OVERCHARGES!!**

I see you have quite a collection of plants! There are so many varieties of plants, and all of them have names . . . like *Guzmania Lingulata* and *Tillandsia lonantha*! Do you know the names of YOUR plants . . . ?

I sure do . . . most intimately!

This one is "Irving," and this one is "Gloria," and this one is "Sidney," and this one is "Carol," and—

How do you keep your lawn looking so lush?

I water it religiously . . . every single day!

But . . . what if you're not home?

I've got an automatic timer that turns the sprinkler on at the same time every day!

Speaking of time, what time is it NOW?

I don't have a watch with me!

But I can tell you . . . it's precisely seven o'clock!!

How are my sweet little babies today? Mommy has brought you some nice cool water to drink, and a soothing insect spray to wash you, and some delicious plant food to eat so you can grow up strong and healthy . . .

Sniff . . . Sniff . . .

When you wear that perfume, Baby, you really turn me on!

PLEASE, John . . .

NOT IN FRONT OF THE CHILDREN!!

I'm sick of city life! I'm sick of polluted air! I'm sick of crime-ridden streets and traffic jams and graffiti-smearred walls!

I want to leave this high-rise penthouse, and move out to the GREEN suburbs!

Are you out of your bird?!

And leave my GARDEN . . . ?!?

That's what I call a healthy window box!

It was here when I moved in!

I have a window box, too! Every Spring, I seed it and water it and spray it with insecticides and add plant food and compost and peat moss and vitamins and I even talk to it! And I STILL have absolutely no luck with it!

You must be doing something right!

I guess so . . .

I leave it alone!!

See that? This "Gardening" fad has really taken root! Even my late-blooming Hippie son has turned over a new leaf! He's now into Gardening in a big way!

How nice that he's doing something useful for a change! What's he growing?

I think it's something that will improve the quality of our lawns!

He told me he's growing a special kind of GRASS!

Has it ever struck you as peculiar that the restaurants which seem to be the most fashionably "in" are the very same ones that offer the shabbiest service and lousiest food at the highest conceivable prices? Well, it always struck us as peculiar, until one recent day when the mailman delivered a damaging little catalogue to the MAD office by mistake. Now, we suddenly understand how the whole beastly system works. It's all based on the assumption by owners of exclusive dining spots that we are a nation of incorrigible snobs, hopeless masochists and complete idiots. If you don't believe it, you really ought to get a look at this catalogue. Of course, you probably wouldn't be able to get one because it's full of horrifying trade secrets that laymen are never supposed to find out. So, in order to satisfy your curiosity and put you on your guard, here is . . .

THE PROBLEM

A SHORT ACCOUNT OF A
NON-SMOKER'S DILEMMA

Today, a silent war is raging (And sometimes, it's not so silent!) between "Smokers" and "Non-Smokers." Smokers are strong-willed and determined, insisting upon their God-given right to kill themselves. And Non-Smokers are equally strong-willed and determined, insisting upon their God-given right to breathe fresh air instead of that murderous Smokers' smoke. All kinds of solutions have been tried, such as "No-Smoking" sections in theaters, trains and planes, but with little success. (Like, how are you going to keep the smoke in the "Smoking Section" from wafting over to the "No Smoking" section?) And there are countless other places where Non-Smokers don't even have this minimal protection, such as offices, restaurants and even private homes. However, MAD feels that, with a little cooperation from both our Smokers and our Non-Smokers, the war between them can be happily ended . . . mainly by the use of these

MAD DEVICES

DESIGNED TO SOLVE OUR SMOKER VS. NON-SMOKER PROBLEMS

ARTIST & WRITER: AL JAFFEE

MAD'S SMOKE-FILLED, CROWDED ROOM DEVICES

The smoke-filled, crowded room presents a special problem that the ordinary, simple filtering device cannot handle

conveniently or dependably. Here, then, are two sure-fire solutions that can take the smoke headache out of hosting.

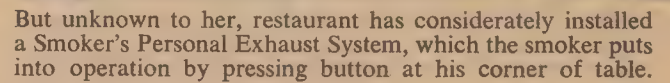

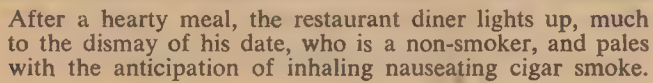

THE GIGANTIC CEILING GRID & ATTIC BLOWER EXHAUST SYSTEM

THE GIGANTIC FLOOR GRID AND CELLAR BLOWER EXHAUST SYSTEM

THE RESTAURANT SMOKER'S PERSONAL EXHAUST SYSTEM.

impractical "Smoking" and "No Smoking" sections, and the splitting up of smoker-non-smoker friends and relatives.

FILTERING AND EXHAUST SYSTEM DEVICES

DECORATIVE SMOKE-EXHAUSTING DINING TABLE VASE

Individual, sterilized mouthpieces and tubes are supplied by host. Each one is plugged into the vase, where a powerful exhaust system removes the smoke to the utter delight of non-smokers at the table.

COMPLETELY SELF-CONTAINED ASHTRAY FILTER SYSTEM

This compact and effective device runs on batteries or house current, and will draw smoke from as far as twenty feet away. Can also be used as ordinary air-cleaner for pollen dust, etc.

UTILITARIAN SMOKE-EXHAUSTING CHANDELIER SYSTEM

This attractive and unobtrusive device serves the double purpose of light fixture and smoke remover.

PERSONAL DEVICES FOR INDIVIDUAL SMOKERS

SMOKER'S AIR PURIFYING AND SMOKE FILTERING HAT

Upon meeting non-smoking friend, the smoker considerably presses a button on what appears to be a plain straw (or other style) hat.

Suddenly, all smoke emanating from the smoker's cigarette or cigar miraculously disappears almost as fast as it is made.

SMOKER'S DUMMY EYEGGLASS SMOKE EXHAUSTING DEVICE

Smoke is drawn directly into grill located on eyeglass nose bridge piece, and then blown inoffensively through earpieces toward the rear and away from the non-smoker.

SMOKER'S PERSONAL MASK & CANE FILTERING DEVICE

Clear mask is supported by adjustable shoulder brace. Powerful mini-motor pulls smoke into mask, through a filter, and sends clean air out grill at base of cane.

This principle can also be adapted for use with umbrellas, swagger sticks, crutches, stilts and other walking devices.

SMOKER'S SHOPPING CART SMOKE FILTERING SYSTEM

Shoppers can blithely and happily push these carts around without fear of stinking up entire store. Also reduces fire hazard so that many stores which do not permit smoking can now offer it as bonus.

SELF-PROTECTIVE DEVICES FOR NON-SMOKERS

NON-SMOKER'S LAPEL FLOWER REAR SMOKE DISSIPATOR

Powerful mini-blower pulls smelly smoke into dummy flower and sends it harmlessly out rear. Also effective against bad breath.

NON-SMOKER'S REAR INTAKE EYEGGLASS AIR PURIFIER

Smoke being blown into non-smoker's face does not bother him because he breathes pure air taken from behind him.

NON-SMOKER'S FOUNTAIN PEN SMOKE SUCTION FILTER

A marvel of miniaturization, this pen is a complete smoke filtering and air purifying plant and is carried easily.

NON-SMOKER'S DECORATIVE BROOCH SMOKE EXHAUSTER

Attractive and easy to wear, smoke is drawn into brooch and pumped through hose to grill at wearer's back. This takes smoke (and breath) away from non-smoker's face.

CLASSIC-TYPE COMICS DEPT.: WELL, GANG... HERE'S MORE GRIST FOR THE BOOK REPORT MILL! COURSE, YOU CAN MAKE A NICE, SANE BOOK REPORT FROM A CERTAIN COMPETITOR'S HIGH-CLASS CLASSIC-TYPE COMIC BOOKS... BUT JUST THINK HOW YOUR TEACHER WILL BEAT CHALK ERASERS ON HIS HEAD WHEN HE READS YOUR BOOK REPORT ON OUR VERSION OF...

ROBINSON CRUSOE!

My name is Robinson Crusoe! In the year 1652, while sailing the ocean, I found myself suddenly in the water!

Although my vessel was sturdy enough, I was in great trouble because of the rough condition of the water!

You see, I was taking a bath below decks, and what with rocking of the boat, I had lost my cake of soap!

I finally left my bath...yes...I had my clothes on since it's not nice to be unclothed in a comic book as well as a movie! Imagine my surprise when I stepped out of the water...

...to find myself stepping into more water! Yes... the boat was sinking! Vainly I fought the monstrous waves...trying to find that furslugginer soap!

Seeing the outline of an island. I swam in that direction, not too eagerly, in order to save my strength!

For eagerness could weaken me and I was determined not to be too eager for eagerness was no good!

I wasn't gonna be eager! Not me, boy! Imagine my surprise when I found. I had swum right over the island...

...the jagged rocky island! No wonder the water felt rough! I stood shakily on the shore of this wild island...spent!...No money in my pockets...like I said...spent!

As I stood wondering how to stay alive, the storm abated and the water receded! You don't even have to imagine my surprise when I saw the ship...washed up on the rocks!

Without a moment's hesitation, I plunged into the surf!
Without a moment's hesitation, I plunged out again!
Brrr! It was cold! I then swam to the boat!

Hoisting myself over the side, I found upon inspection, not a living soul aboard! Breaking into the storage locker, I found tools and a cask of rum!

Determined to move the ship supplies to shore, I removed the tools, and... to bolster me, I took a cup of rum!

I then commenced cutting away lumber, which I threw over the side to fashion into a raft!

After lashing the lumber together, I was much fatigued and, to bolster me, I took another cup of rum!

With great pains, I hoisted down a tool chest...and so, I took a cup of rum!

I then got a load of powder kegs and canvas ready!...I went and cup a took of rum!

With much mishap, I further loaded the raft! I went and cupped a rum of took!

I then got another took of load ready and cupped it down on the rum...

Boy! Was I drunk!...But the work had to be done, so I squared my shoulders, marched resolutely to my task... and fell overboard!...When I finally made my way to shore...

...I sought immediately to protect myself and my supplies from wild beasts and savages! Choosing a cliff wall, I built a stockade snug against it!

I built it high and strong so that nothing could get in, and too late I realized nothing could get out...

...for I had forgotten to build a door! However, I had all my tools and equipment and I made a ladder...

...and I got out...for man's ability to improvise...his ingenuity conquers all! Then it hit me!...How do I get in?

For the only way to climb the wall was with a ladder and the only ladder was inside the wall next to the only tools to make a ladder! Well...live and learn, I say!

...without a moments hesitation, I was plunging in and out of the surf...and soon came back from the ship with another load of tools and another load of rum!

Realizing I might be on this island for a long time, I set about to the task of building quarters!... But since I had no ruler, I needed a rule to rule a ruler!

...and although I had the tools to make a ruler, I had no ruler to rule the straight edge for the ruler! So I cut a chunk of straight edge from the picture border!

Cutting wood for my projects was an unbelievable task! For example...

...not having a whip-saw nor help, I'd chop my tree and shape it with an axe!

...when I'd gotten it adzed down to a single board, I could then saw out a block...

...which I might shape down to the final piece of work! I'm telling you...

...it was more work making a mere toothpick than you could ever imagine!... But now, I had to give some thought to my living quarters! I carefully chose my trees...

...I then chopped a quantity of trees... trimmed, shaped and adzed them on the spot to facilitate carrying them back to the site where I was building my quarters!

Although I had some nails,
I also fashioned pegs and
grass rope for joints...

To roof, seal, and make
secure withal, I had a
plentiful supply of turf...

...Inside, I constructed with
my crude knowledge of
carpentry, shelves, furniture...

...fire hardened clay pots!
It's fantastic what man can
do with the crudest tools!

For that is how man is different from animal! Man has ingenuity to improvise and to make do with the crudest of tools... with the help of his hands and mind! And so, my living quarters rose above the island... a duplex apartment house... picture windows overlooking the sea ... hollywood kitchens...

Even though I was marooned alone on an island with only my wits to keep me going, I strangely enough began to feel quite at home, there in my duplex apartment...

...However, I was still restless! I needed to build one more thing... I needed one more item to make my living complete! I went for a ride in my hand built car!

After driving a while on my hand-built highway, I got out to walk on the shore! It was there that I came across what appeared to be a footprint.

Needless to say, I was perplexed at finding a solitary footprint in the sand! But upon closer examination, I observed it was no *footprint*... It was a *foot* in the sand!

A foot belonging to a native, who had been buried in the sand! He placed my foot on his head in gratitude...

...a gesture he regretted since I hadn't changed my sox in some time. He said his name was Friday... Joe Friday!

Said he was from 'Dragnet' or something! However...this human being was the item I needed to make living complete!

What's that you say? I needed Friday because I wanted someone to talk to?... Because I needed companionship? No! I merely wanted Friday's *brain*...

...hacked the beggar open ten seconds after I saved him! You see... I needed his brain to build the one more thing I needed to make my living complete... *WOMAN!*

...I call her Francinestein... made of bits of grass rope... turf... goatskin... It's truly wonderful what man can do with the crudest of tools...

ROMANCE (NOT THE SEXY KIND) DEPT.: GREETINGS, DEAR READER!... ALL SETTLED FOR A COMFORTABLE EVENING OF READING?... THAT'S IT... SETTLE DOWN!... SNUGGLE INTO YOUR FAVORITE CURBSTONE!... PRINCE VIOLENT!

YOUNG PRINCE VIOLENT OF DRULE WHO ASPIRETH TO BECOMETH A KNIGHTETH AT-ETH KINGETH ARTHURETH ROUTH... RATH... THOOTH... PTOOEY!... AT KING ARTHUR'S ROUND TABLE, WHILE AWAY THE TIME IN GREAT FUN AT THE SPORT OF MOCK COMBAT!... WITH DULL-EDGED WOODEN SWORDS AND PADDED DOUBLETS, PRINCE VIOLENT, IN GREAT FUN AND SPORT... SCORES A BLOW IN FUN UPON HIS GOOD FRIEND AND HAS SO MUCH FUN!... BOY WHAT FUN!... FUN! WOW!... FUN!

...BUT IF ONE LOOKS CLOSELY AT THE PRINCE WHO IS TROMPING SPORTINGLY ON HIS FALLEN FRIEND, ONE SEES THAT HE IS NOT HAPPY!

...ONE SEES BY THE WAYS HE LANDS ON HIS TOES INSTEAD OF HIS HEELS... THE HEELS WITH THE 'TAPS'... THAT HIS HEART IS NOT WITH THIS GREAT SPORT!

...FOR THE YOUNG MAN'S HEART IS FILLED WITH OTHER LONGINGS!... YES... THE LONGINGS THAT USUALLY FILL A YOUNG MAN'S HEART WHEN WINTER TURNS TO SPRING...

...YES...IN SPRING HIS YOUNG MAN'S FANCY TURNS,
OF COURSE, TO HIS BUTTERFLY COLLECTION WHICH
HE HOPETH TO COMPLETE THIS SPRING! THEN...
AS THE PRINCE LEAPETH (TO STOMPETH) TOO
HIGH...HE IS SMITTEN BY A VISION AND A CEILING!

...A VISION OF A BEAUTIFUL GIRL NAMED ALOTA!
AND OF LONG GOLDEN HAIR SHE HAS ALOTA!...
THIS IS THE WOMAN OF PRINCE VIOLENT'S DREAMS
AND IN A MOMENT, HE TRYETH TO PURSUETH, BUT
HE GETS STUCKETH!

ALAS...HIS LANCE DOES NOT FIT
SIDEWAYS THROUGH THE PORTCULLIS!
AND WHEN HE FINALLY FIGURES IT
OUT AND TRAMPS ACROSS THE DRAW-
BRIDGE, THE MAIDEN IS GONETH!

...AND PRINCE VIOLENT HAS BARELY
LEFT THE CASTLE OF HIS FATHER
WHEN HIS TROUBLES BEGIN!...
HE IS CAUGHT WITH HIS STEED
IN THE GRIP OF SOME FORCE...

...THAT PULLS HORSE AND RIDER
BACKWARDS! 'INDEED, THIS IS
WITCHCRAFT! VIOL THINKS TO
HIMSELF! (WELL CALL HIM 'VIOL'
OR 'VILE' FOR SHORT!)

...HOWEVER, THE VALIANT MOUNT CLAWS HIS
WAY TO THE END OF THE BRIDGE...BUT SOME
SORCERY HAS TAKEN AWAY THE LAND AND, AS
VIOL FALLS, HE THINKS 'THIS IS THE WORK OF SPIRITS
...INTOXICATING SPIRITS I DRANK BEFORE I LEFT!'

...BUT A MOMENT LATER...QUIETLY PONDERING
AMIDST THE STENCH OF THE MOAT... VIOL SEES
IT IS NEITHER SPIRITS NOR WITCHCRAFT BUT
MERELY THE SLANTED DRAWBRIDGE WHICH HATH
RISETH BY ACCIDENTETH WHILE HE WAS ON-ETH!

AND SO, AFTER HE GOETH BACK HOME AND CHANGETH HIS RUSTY CHAIN MAIL FOR A FRESH-PRESSED, CRISP, OILED CHAIN MAIL, HE DOETH SET OUT UPON THE HIGH-ROAD!

...SEEKING DIRECTIONS AS TO WHICH WAY ALOTA HATH GONE, PRINCE VIOLENT STOPPETH A MAN WHOM, BY HIS POINTY-SHAPED HELMET, VIOL TAKETH TO BE A SOLDIER!

IMAGINE VIOL'S SURPRISE WHEN HE DISCOVERETH THE VARLET HATH NO HELMET ON AT ALL! THE MAN POINTETH OUT WHERE THE MAIDEN HATH PASSED...

...PRINCE VIOLENT SETS OUT IN THE DIRECTION THAT HAS BEEN POINTETH BY THE MAN WHOSE HEAD HAS ALSO BEEN POINTETH!... AFTER MANY WEARY DAYS OF JOURNEYING, VIOL'S HEART LEAPS AS HE CATCHES A GLIMPSE OF LONG GOLDEN HAIR!... ALOTA!

...AND IT IS ONLY WHEN HE HAS SKIPPED OVER AND SWEEPED THE HAIR TO HIS LIPS... IT IS ONLY THEN THAT THE BURRS, THE UNWASHED SMELL, THE LITTLE MOVING THINGS TELL HIM THAT THIS IS NOT A MAIDEN'S HAIR BUT A WARRIOR'S BEARD!

VIKINGS... FIERCE SEA ROVERS FROM THE NORTH... WARRIORS WITH WINGED HELMETS! VIOL GRASPS HIS SINGING SWORD BY THE HAFT TO STOP ITS SINGING!

...ALL CONCERNED ARE EQUALLY SHOCKED AND THEY STAND LIKE STATUES! NOTHING MOVES BUT THE WINGS ON THE VIKING CHIEF'S HELMET!

...IT IS CLEAR THIS IS A NEW HELMET... THE WINGS NOT QUITE DEAD! IF NO ONE MAKES A MOVE, THE CHIEF WILL LOSE A VERY FINE HELMET!

VIOL REACTS SWIFTLY AND IN ONE SMOOTH MOTION, DRAWS ARROW FROM QUIVER...DROPS ARROW... PICKS UP ARROW... DROPS BOW... DROPS ARROW...PICKS UP BOW... DROPS QUIVER...PICKS UP STUFF AND SMOOTHLY SKEWERS THE HELMET...

...AFTER TWELVE SHOTS, THAT IS!... VIOL'S HEAT SHOT DROPS THE HELMET! HE PICKS UP THE HELMET AND DROPS THE QUIVER... PICKS UP QUIVER... DROPS HELMET AND BOW... PICKS UP BOW...DROPS QUIVER, HELMET, BOW, ARROW, CHAIN MAIL, PANTS...

...THE VIKING CHIEF, OVER JOYEDETH AT THE RETURN-ETH OF HIS HELMET... POINTETH OUT TO VIOL A MAIDEN WITH GOLDEN HAIR WHO SITTETH BY THE DOCK IN A VIKING ROW-BOAT! VIOL JOYOUSLY POUNDS DOWN TO THE SHORE TO JOINETH!

... AND AS VIOL HASTENS TO JOINETH THE ROW-BOAT, THE ROW-BOAT HASTENS TO JOINETH THE OPPOSITE SHORE... AND AGAIN, PRINCE VIOLENT HATH TAKEN A FLYING-FLOP INTO THE WATER! FOR SOME REASON, THE MAID ALOTA, IS AVOIDING HIM!

...THE VIKINGS HATH AGREED TO CARRY VIOL ACROSS THE LAKE, BUT FIRST HE GOETH BACK HOME TO CHANGETH HIS RUSTY CHAIN MAIL FOR CRISP, OILED CHAIN MAIL!

VERILY, THE DRY-CLEANERS DOTH DO A GOOD BUSINESS! ANYHOW, THE VIKINGS DOTH TAKE VIOL ACROSS THE LAKE WHERE HE IS SMITTEN BY A TERRIBLE PAIN!

FOR YOU SEE, VIOL HATH COME TOO CLOSE TO THE TERRIBLE FIGUREHEAD IN THE PROW OF THE VIKING SHIP AS HE DONE STEPPETH ASHORE!

PURSUING HIS QUEST, VIOL STANDETH ON A SUMMIT IN A HEROIC POSTURE!...NOT THAT THIS SUMMIT OVERLOOKS ANYTHING, SINCE IT FACETH A ROCK WALL ...BUT HOBOY...WHAT A HEROIC POSTURE! SUDDENLY VIOL'S SINGING SWORD STARTS SHRIEKING!

... VIOL LOOKS OVER HIS SHOULDER TO SEE-ETH WHAT MAKES THE SWORD SHRIEKETH INSTEAD OF SINGETH! ... DOWN BELOW, FILING THROUGH A DEFILE IN THE VALLEY IS A PARTY OF THOSE FIERCE WARRIORS THAT SWARM OVER EUROPE... HUNS!

THE HUNS ATTACK, BUT VIOL MEETETH THEM WITH HIS RAZOR-SHARP SINGING SWORD, HOLLOW-GROUND! (EDITOR'S NOTE: IN THE INTERESTETH OF CLEANER COMICS, WE HAVE AVOIDED SHOWING BLOOD AND GUTS, BUT WE SUGGEST THAT YOU DROOLING READERS MERELY FOLLOW THE SLASHES WHERE SHIELDS, HELMETS, ETC., ARE CUT!... THEN USE YOUR IMAGINATION TO FIGURE OUT HOW GRISLEY THE UNSEEN FLESH-CUTS ARE, AND YOU WILL GET AS GOOD AN EFFECT AS IF YOU SAW REGULAR BLOOD AND GUTS.)

WHEN VIOL SHOWETH THEM HOW HE HACK HUNS... HALF TAKE REFUGE BEHIND THE STURDIEST SHIELD AMONGST THEM!...VIOL, HE HACK THROUGH SHIELD!

WHEN HUNS SEE HUNS HE HACK, MANY TAKE REFUGE BEHIND A HUGE STURDY OAK! BUT VIOL, HE HACK THEM HUNS SAME AS HOW HE HACK HALF!

WHEN VIOL SEES IN BACK OF A BOULDER, THE LAST HUN... HOW HUN HIDES HACK, HE HACK HIM HOW HE HACK... HALF... HE... HE... HOO HEE... HOO HOO HEEHEE...

NOW VOL SHEATHES HIS FABULOUS SWORD IN ITS ORNATE, ENCRUSTED SCABBARD... ITS ORNATE, CRUD EN-
CRUSTED SCABBARD, AND WHILE STRIKING A HEROIC POSTURE ON A CONEYENT WINDBLOWN SUMMIT, HE SEES KING ARTHUR'S
CASTLE AND THE FAIR MAID ALICEA HURRYING TOWARDS IT!

SHE GOETH INSIDE AND VOL, ATTEMPTING TO FOLLOW, IS BARRED BY A WELL-MEANING KNIGHT, WHO CHAL-
LENGES VOL BY THE TIME-HONORED CUSTOM OF TAKING OFF HIS HEAVY, STEEL GAUNTLETED, RIVETED,
IRON BOUND GLOVE AND THROWING IT TO THE GROUND!

UNFORTUNATELY, IT LANDETH ON PRINCE VOLUNT'S
TOE AND IT IS SOME TIME BEFORE HE GAINS HIS
COMPOSURE ENOUGH TO PREPARE FOR COMBAT!
FORTUNATELY FOR HIM, THE CUSTOM IS NOT YET IN VOGUE
FOR A CHALLENGER TO SLAP THE FACE WITH THE GLOVE!

ALBEIT...THE CONTESTANTS PREPARE TO TILT... TILT,
BEING THE WORD THAT DESCRIBETH THE JOUST OR
MOUNTED CONTEST...NOT TO BE CONFUSETH WITH THE
PIN-BALL MACHINE CONTEST!...THE PONDEROUS ARMOR
IS BROUGHT ON A GROANING WHEEL-BARROW!

...FIRST A HAUBURK, A
HEAVY COAT OF HAM-
MERED-LINK CHAIN-MAIL
IS FITTED OVER THE
CONTESTANTS' TUNICS...

... THEN THE THICK,
PROTECTIVE IRON
QUIRASS AND THE
WEIGHTY IRON LEG
PROTECTORS ARE TIED...

...NEXT THE HEAVY...
THICKEST-OF-ALL PIECE
OF IRON...THE HELM
OR HELMET, DROPPED OVER
THE GORGET WITH A KLANK!

THE ARMORED WARRIORS,
TOO WEIGHTED DOWN
TO MOVE ARE PAIN-
FULLY HOISTED OVER
THEIR MOUNTS...

...AND EASED ONTO THE HEAVILY ARMORED HORSES WHERE THEY RECEIVE THE MIGHTY LANCE, THE HUGE TWO-HANDED SWORD, THE BATTLE AXE, THE MACE AND A COUPLE DOZEN DAGGERS! AND NOW?...NOW?... YOU KNOW WHAT HAPPENS NOW?...

...THE WHOLE FURSHLUSSNER MESS COLLAPSES LIKE A PACK OF CARDS!

THOUGH VIOL IS PINNED FAST BY HIS PRODIGIOUS ARMOR, HE IS MADE OF STURDIER STUFF...

...QUICKER THAN IT TAKES TO TELL, HIS RIGHT INDEX FINGER, WHICH IS FREE, WRIGGLES FORWARD...

...AND WITH A WILD CRY, THE INDEX FINGER LEAPS UPON THE ENEMY'S INDEX FINGER!

...BOTH HANDS ROLL OVER AND OVER THRASHING UP A CLOUD OF DUST WHICH HIDES THE FEARFUL COMBAT!

ALL THROUGH THE AFTERNOON THEY BATTLE, BUT FINALLY, DUE TO VIOL'S CLEAN LIVING, 100% AMERICANISM, AND HE DOESN'T BITE HIS NAILS... HE DOETH GET A GRIP THAT HIS ENEMY CANNOT BREAKETH AND VIOL WINS THE THUMB-WRESTLE!

PRINCE VIOLENT IS THEN SUMMONED TO THE FABULOUS ROUND TABLE WHERE KING ARTHUR SITTETH WITH HIS KNIGHTS TO DISCUSS BATTLES, TO DISCUSS GLORIOUS DEEDS, TO DISCUSS VICTORIES, BUT MAINLY TO PLAYETH CARDS!

BUT KING ARTHUR DISCOVERETH THAT THE TABLE IS NOT TRULY ROUND BUT SLIGHTLY OVAL, SO HE ABANDONETH!... BESIDES, HE WANTETH TO QUIT GAME WHILE STILL AHEAD!... THEN HE TURNETH TO VIOL WHO IS IN TYPICAL HEROIC POSTURE!

FOR VIOL'S GLORIOUS DEEDS AND VICTORIES, KING ARTHUR DECIDES TO KNIGHTETH AND HE RAISES HIS SWORD AND BRINGS IT DOWN TO DUB VIOL KNIGHT!... UNFORTUNATELY, HE USETH EDGE OF SWORD INSTEAD OF FLAT...

...SPLITTING THE KNEELING FIGURE BEFORE HIM IN TWAIN! HOWEVER, THE KNEELING FIGURE IS THE BOOT-BLACK WHO KNEELETH TO POLISH THE KING'S BOOTS!... HAPPILY, VIOL HATH CAUGHT SIGHT OF THE SHY MAIDEN, ALOTA, AND PURSUETH!

FINALLY HE CORNERETH AND ASKETH HER WHY SHE HATH RUNNETH AWAY ALL THE TIME, AND AS IF HIS HAIRY CHEST, BRISTLING THROUGH HIS BATTLE TORN GARMENTS HATH GIVEN HER THE ANSWER, SHE WHIFFETH OUT A SCISSOR...

...VIOL, WHO SEES THE WILD LOOK SHE GIVES HIS CHEST, SHRINKS TO DEFEND THE SINGLE HAIR THAT GROWETH THEREON... BUT HE IS NOT QUICK ENOUGH!

...AND NOW, ALOTA STANDS BACK, SMILING, AND SAYS, 'YOU SEE, PRINCE VIOLENT... THE REASON I ALWAYS RAN-ETH WHEN YOU PURSUETH WAS...'

'...I ALWAYS THOUGHT YOU WERE A WOMAN WITH THAT PAGE-BOY BOB YOU WORE!... NOW I SEE YOU ARE A MAN!... THEY KISSETH!... OUR STORY ENDETH!'

HALF-WAY OUT THE DOOR, YOUR CONSCIENCE STOPS YOU!... YOU DON'T WANT TO LOOK CHEAP! YOU RUN BACK AND PUT DOWN A FEW MORE COINS!

THEN YOU CASUALLY RUN OUT, BUT ON THE WAY YOU REALIZE THE TIP YOU LEFT WAS MUCH TOO MUCH, SO YOU RUN BACK AND PICK UP SOME COINS AND YOU RUN OUT, BUT THEN YOU RUN BACK...

...AND YOU PUT DOWN HALF THOSE COINS AND YOU RUN OUT THEN RUN BACK BECAUSE YOU FORGOT UNCLE SMURDLEY AND YOU RUN ALL OVER, AND YOU FINALLY FIND HIM STILL DIGGING FOR HIS COAT AND YOU RUN OUT...

...AND SO, THE STURDLEY FAMILY TRUDGES OFF INTO THE SUNSET VOWING NEVER AGAIN TO GO TO **THAT** RESTAURANT... VYING IT'S MUCH SMARTER TO EAT HOME! HOWEVER... WHEN NEXT SUNDAY ROLLS AROUND...

...HERE YOU ARE WITH THE STURDLEYS... EYEBALLS PROTRUDING, TONGUES GENTLY LOLLING... AT A CHOW-MEIN RESTAURANT (POPULAR IN BIG CITIES) WHERE YOU'VE BEEN WAITING IN LINE FOR A TABLE...

THE FACE UPON THE FLOOR!

BY H. ANTOINE DUBOIS

'TWAS A BALMY SUMMER EVENING, and a goodly crowd was there.
Which well-nigh filled Joe's barroom on the corner of the square,
And as songs and witty stories came through the open door
A vagabond crept slowly in and posed upon the floor.

"Where did it come from?" someone said: "The wind has blown it in."

"What does it want?" another cried. "Some whisky, rum or gin?"

"Here, Toby, seek him, if your stomach's equal to the work—

I wouldn't touch him with a fork, he's filthy as a Turk."

This badinage the poor wretch took with stoical good grace;
In fact, he smiled as though he thought he'd struck the proper place.

"Come, boys, I know there's kindly hearts among so good a crowd —
To be in such good company would make a deacon proud.

"Give me a drink — that's what I want — I'm out of funds, you know;
When I had cash to treat the gang, this hand was never slow.

"What? You laugh as though you thought this pocket never held a sou;
I once was fixed as well, my boys, as anyone of you.

"There, thanks; that's braced me nicely; God bless you one and all;
Next time I pass this good saloon, I'll make another call.

"Give you a song? No; I can't do that, my singing days are past;
My voice is cracked, my throat's worn out, and my lungs are going fast.

"Say! Give me another whisky, and I'll tell
what I'll do —
I'll tell you a funny story, and a fact, I promise too.

"That I was ever a decent man not one of you
would think;
But I was, some four or five years back. Say, give
me another drink.

"Fill her up, Joe, I want to put some life into my
frame —
Such little drinks, to a bum like me, are miserably
tame;

"Five fingers — there, that's the scheme — and
corking whisky, too.
Well, here's luck, boys, and, landlord, my best
regards to you.

"You've treated me pretty kindly, and I'd like to
tell you how
I came to be the dirty sot you see before you
now.

"As I told you, once I was a man, with muscle,
frame and health,
And, but for a blunder, ought to have made
considerable wealth.

"I was a painter — not one that daubed on bricks
and wood
But an artist, and, for my age, was rated
pretty good.

"I worked hard, at my canvas and was bidding
fair to rise,
For gradually I saw the star of fame
before my eyes.

"I made a picture, perhaps you've seen, 'tis called
the 'Chase of Fame';
It brought me fifteen hundred pounds and
added to my name.

"And then I met a woman — now comes the
funny part —
With eyes that petrified my brain, and sunk
into my heart.

"Why don't you laugh? 'Tis funny that the vagabond
you see
Could ever love a woman and expect her love
for me;

"But 'twas so, and for a month or two, her
smiles were freely given,
And when her loving lips touched mine it
carried me to heaven.

"Did ever you see a woman for whom your soul
you'd give
With a form like Milo Venus, too beautiful to
live;

"With eyes that would beat the Koh-i-noor, and
a wealth of chestnut hair?
If so, 'twas she, for there never was another
half so fair.

"I was working on a portrait, one afternoon
in May,
Of a fair-haired boy, a friend of mine, who
lived across the way,

"And Madeline admired it, and much to my
surprise,
Said that she'd like to know the man that
had such dreamy eyes.

"It didn't take long to know him, and before
the month had flown
My friend had stolen my darling, and I
was left alone;

"And, ere a year of misery had passed above
my head,
The jewel I had treasured so had tarnished,
and was dead.

"That's why I took to drink, boys. Why, I never saw you smile, I thought you'd be amused, and laughing all the while."

"Why, what's the matter, friend? There's a teardrop in your eye. Come, laugh like me; 'tis only babes and women that should cry."

"Say, boys, if you give me just another whisky, I'll be glad, And I'll draw right here a picture of the face that drove me mad."

"Give me that piece of chalk with which you mark the baseball score — You shall see the lovely Madeline upon the barroom floor."

Another drink, and with the chalk in hand, the vagabond began To sketch a face that well might buy the soul of any man.

Then, as he placed another lock upon the shapely head, With fearful shriek, he leaped and fell across the picture — dead.

CHAHMED

BASKETBALL HALL IS THE FAMILY CASTLE OUT ON THE MOORS!... ONE BLACK NIGHT WHEN THE COUNT WAS HAVING A PARTY... A MAIDEN SPURNED HIS AFFECTIONS AND RAN FROM BASKETBALL HALL INTO THE MOORS!... THE COUNT, IN A TERRIBLE TEMPER... UNLEASHED HIS HOUNDS AND WENT AFTER HER! AS THE GUESTS SAW HIM GO... THEY HEARD HIM SHRIEK TO THE DEVL TO ASSIST HIM IN THE CHASE! WHEN HIS FRIENDS CAUGHT UP WITH HIM... THEY FOUND THE MAIDEN DEAD, AND THEY FOUND THE COUNT WITH A MONSTROUS BLACK HOUND STANDING OVER HIM, RIPPING OUT HIS THROAT...

...THEY SAY IT WAS A HOUND OF SATAN!
